NEW BUSINESS

A motion was made by Mr. Musto, seconded by Ms. Robinson to approve the committee minutes from the August 21, 2013 meeting. The motion was unanimously carried.

The committee discussed the potential fees associated with licensure of a pharmacy technician. There were some concerns regarding the fees and generated yearly revenue compared to the cost it may incur for administrative duties. Mr. Dryden will propose to the possibility of hiring an additional Administrative position to adequately process the licensure of pharmacy technicians.

Committee members will discuss Mr. Collin's decision at the next month's committee meeting.

A motion was made by Mr. Simon, seconded by Mr. Maher to adjourn the meeting. The motion was unanimously carried. The meeting ended at 12:37 p.m.

Next Meeting
